ORDER:

The Higher Education Department in the reference 5th read above have stated that, the Secretary, Andhra Pradesh State Council of Higher Education, Hyderabad in his letter 1st read above has submitted a proposal for sanction of the teaching positions at the ratio of 1:2:6 to Kakatiya University, Warangal for 5 year Integrated Course in M.Sc (Chemistry) from the Academic year 2009-10.

2. In the reference 2nd read above, the Registrar, Kakatiya University, Warangal has been advised to continue the 5-Years integrated P.G. Programme in Chemistry with the existing University faculty / outsourced faculty only.

3. The Registrar, Kakatiya University, Warangal ha submitted a proposal again in letter 4th read above and stated that the 5-Year integrated M.Sc. (Chemistry) course was started at the Department, of Chemistry, Kakatiya University campus with an intake of 30-students & there are hundred and eighty (180) students on rolls.

4. The Registrar, Kakatiya University, Warangal has further stated that earlier the University requested the Chairman, State Council of Higher Education to look into the matter for sanction of teaching positions (Professor-1; Associate Professors-2; Assistant Professor-6) for 5 year integrated M.Sc. (Chemistry) Course at Kakatiya University. In the absence of permanent faculty for this course, temporary teaching arrangements are being made in order to run the academic schedule without any problems. In spite of several constraints inherent in such an arrangement, the course has been faring well for the last 4 years, and the scholastic performance of the students has been excellent. However, it is strongly felt that part-time teaching arrangement will not contribute to the strengthening of the course in the long run. At the time of introducing the course, it was promised that eventually permanent teaching positions would be sanctioned. Moreover, the 5 year Integrated M.Sc. (Chemistry) course was started at the initiative of the Government.

5. With the above position the Registrar, Kakatiya University, Warangal has requested to sanction permanent teaching positions as detailed below, keeping in view the work load of the 5 years Integrated M.Sc. (Chemistry) course, which were approved by the Executive Council at its 81st meeting held on 17.03.2009:-

(P.T.O.)
